

GLOBE Teacher's Guide in all 6 United Nations' languages!

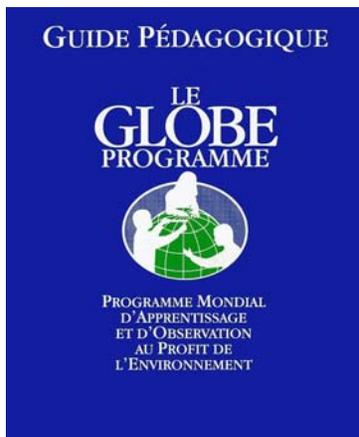

Arabic

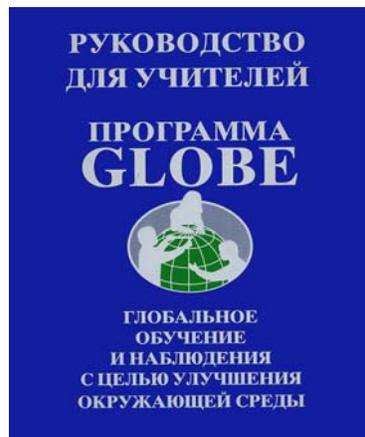

Chinese

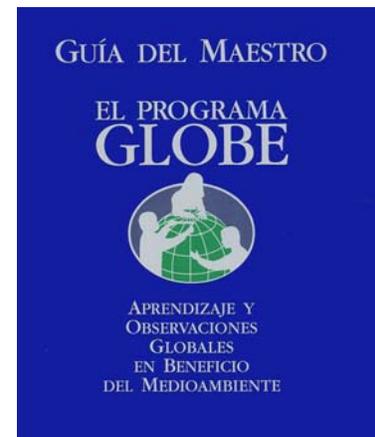

English

French

Russian

Spanish

Materials ready for classroom implementation are available in all six United Nations' languages (Arabic, Chinese, English, French, Russian, and Spanish), and at least part of the GLOBE Teacher's Guide is now available in Czech, Dutch, German, Greek, Hebrew, Japanese, and Thai, with many other materials becoming available in other languages through GLOBE's international partners.

See <http://www.cal.org/resources/news/2003spring/globe.html> for information about how GLOBE is used in the language classroom to promote science, mathematics and technology instruction.
