

# Joint US Partner and Country Coordinator Meeting

## Goals

- Help US Partners and Country Coordinators understand broader program goals and celebrate program accomplishments
- Identify opportunities for cross-region collaboration, campaigns, and celebrations
- Scaffold community needs to support collaborations, campaigns, and programmatic celebrations

## Our “Why”?

- Increasing environmental awareness
- Contributing to increased scientific understanding of the Earth
- Supporting improved student achievement in science and mathematics

# The **GLOBE** Program

#GLOBEMeeting2024

Sponsored by

Supported by

## Padlet

## Discussion

- What ideas are most exciting to you?
- How (or with whom) would you like to collaborate?
- What resources would be helpful to move forward, such as:
  - pacing guides for different levels
  - targeted bundles
  - resource guide for Partners/country coordinators
- What connections or partnerships could you leverage?

## CALL TO ACTION

Speak about opportunities to collaborate across countries and regions!

## Thank you!

More information about campaigns  
and other events is forthcoming
