-
- Strategies for Empowerment:**
- Self-care**
 - Take a break when you need it
 - Practice good sleep habits and routines
 - Ask for help
 - Integrate climate justice into center of conversations**
 - Focus on people's experiences, not just on the science
 - Recognize that climate change is a social justice issue
 - Use language that is inclusive and welcoming
 - Listen + validate feelings**
 - Validate someone's feelings
 - Be a good listener and avoid interrupting
 - Be aware of your own emotions
 - Check in with yourself for sharing group members and/or yourself for sharing
 - Encourage and take action**
 - Validate & praise shared
 - Encourage people to take action
 - Practice care of taking through story
 - Support for their own experiences
 - Encourage personal agency
 - Focus on creating a shared goal
 - Take action for climate justice
 - Be aware of your own emotions
 - Share resources of youth taking action
