

Research Protocol

Name of working group:

Members of working group:

.....

.....

> Our questions:

Who...?

Where...?

Which...?

What....?

How....?

> Our research questions:

> Our hypothesis:

> Tools for experiment, planning:

> **Description, drawing, calculations, table, graph...**

> **Our hypothesis was: confirmed x refuted**

> **Correlations with other groups' measurements or other findings:**

> **Questions for future research:**
